Focus Area:

Eval. Notes:

On August 1st, 2016 I (Carol Carman) conducted a standard compliance inspection at Sea Lion Metal Fabrications Inc., which is located at 776 Creek Road in Bellmawr, NJ. Sea Lion Fabrications has been issued EPA ID# NJD020067591 at this location. On this date, I met with Louise D'orazio (Owner). Sea Lion Fabrications Inc. manufactures boat, utility and custom made trailers out of galvanized steel and aluminum. According to Mr. D'orazio, Sea Lion stopped galvanizing the material on-site and therefore no longer utilizes sulfuric acid as a metal cleanser. The material is sent off-site for preparation and shipped back to the facility to be shaped, assembled and welded based on customer orders. Based on observations made during this inspection, Sea Lion Fabrications Inc. continues to operate as a conditionally exempt small quantity generator. No hazardous waste, universal waste or used oil is currently being generated or accumulated on-site. No violations were noted.

No Linked Violations

No Linked Enforcements
